

October 27, 2014

Fire Chief's Report

- NCRFA follow up
 - CIFR Chiefs met again with Chief Johnston
 - The group agreed to discuss possible benefits of sharing a BLS med unit, sharing a training officer, sharing administrative staff, and sharing battalion chiefs.
- Bond refinancing
 - Conference call with Standard & Poor's on 10/17 went extremely well. Great job by AC Yengoyan and our Financial Manager, Linda Layton. Anticipate that we will hear from them on our rating the last week in October. Bond rates are currently very much in our favor and I believe we will be able to save the District a considerable amount of money.
- WCFA Conference
 - Attended the WCFA 2014 Conference along with Commissioners Lich and Williams 10/22-10/25.
- State audit
 - The State audit is currently underway.
