#### Fire Chief's Report

- Strategic Plan update
  - Chief Schick met with our volunteer firefighters and officers to discuss staffing options and retention and recruitment issues. Several items were raised for discussion pertaining to required certifications, participation requirements, and paging issues.
- Community Events
  - Santa Run
    - Scheduled for Friday, Dec 19<sup>th</sup> on north and south end
- Exit Interview with State Auditor
  - District personnel met with Audit Manager Kristina Baylor and Audit Supervisor Kirk Gadbois from State Auditor's Office on December 17<sup>th</sup> for an exit conference to review a draft of our audit. Both individuals were very complementary about our accounting practices. We expect to receive a final report within the next 60 days. Recommendations from the audit covered our fueling documentation policy and our how we define and track "small and attractive assets".
- Social Media Policy
  - Staff is working on a social media policy for the District.
- Special thanks to all who assisted with the December 11/12 storm calls. I have heard of many instances of activity above and beyond what we normally see.
