

December 8, 2014

Fire Chief's Report

- Strategic Plan update
 - Expanding volunteer program
 - Enhanced sleeper crew program
 - Expanded boundaries for volunteers
- Business Inspections
 - Training for the crews is largely completed and we are planning on commencing inspections early 2015
 - Recommendation by Officers that we not charge for inspections in 2015
- Community Meetings
 - Met with Citizens for Camano Island Fire & Rescue on December 3rd. This group will be leading the efforts in getting the message out to Camano Island voters about the EMS levy renewal coming up in 2015
- Gateway Water System
 - Paperwork has been signed and filed with Island County releasing district of responsibility in maintaining and/or upgrading Gateway water system
- Labor / Management Meeting update
 - Discussed alternative staffing models utilizing volunteer and part time firefighters
 - Other issues discussed included B100 and additional OT availability
