### **Fire Chief's Report**

Stats – July was our busiest month in almost two years. We expected our response times to suffer a little along with a little rebound from our earlier experiment on modifying our staffing. Once we get that second temporary PT on board I expect to see a big improvement.

Community Events –Stanwood Night Out – very well attended by the community although probably mostly Stanwood citizens. We allowed NCRFA to use our Take 10 CPR program, they trained about 100 citizens / Camano Fair Parade – We had a Command vehicle and A102 in the parade. / Thunderidge HOA – Lots of good questions about the water system which is owned by Thunderidge and the Fire Department in general / Camano Senior Center Car Show – We brought our Take 10 CPR training to the event, I brought back Ken Drewry to help us out. Good attendance and a fun event and we trained 40 citizens.

Property updates - Lot A has been sold for \$140,000 and Lot C for \$159,000 and we have received final approval by the County of the changes in lot lines. As discussed previously I would like to dedicate those funds to replacing an ambulance.

Open House update – Island County has backed out of providing an Influenza vaccination clinic. We are working with SafeHarbor on the concept. I don't know if we will be able to have it for the Open House.
