Fire Chief's Report

- 1) Community Events - I seem to be getting quite a few last second requests which is not a problem unless I'm out of town. I haven't planned any vacations these next few months so hopefully I'll be able to fill all of the requests.
 - a. Madrona Beach Water Association – May 20th thanks to Commissioner Williams for covering me.
 - b. Cadet Family Night – Tuesday, May 23rd, 1800
 - c. Palisades Water Association – Sun, June 4th 1200 (Tentative)
 - d. Preparedness Safety Fair – Sat, June 10th 1000
 - e. Camano Shores Water Association – Sun, June 11th 1400
 - f. Park Lane Water Association – Sat, June 17th 1100
- 2) 2016 Annual Report – The 2016 Financial Annual Report will be submitted to the State this Friday so please review and submit comments or questions if you would like to.
- 3) FF Academy graduation – Monday, June 5th, 1830 at St 1-4. I have another Board meeting that evening but I hope that some of the Commissioners will be able to attend.
- 4) CRP grant – Five-county proposal to be funded as the North Puget Sound ACH. Initial request is for \$14 million. Initial due date was mid-May but they extended it to this Friday. Added Island and San Juan Counties at the last second and I am hopeful but with some concerns.
- 5) Marine 1-4 is OOS. Jay found some holes in the hull which appear to be due to corrosion. Trying to find out now if it can be repaired.
- 6) EMS Week- Our "Take 10 to save a life" CPR program is underway at the plaza this week. Jim Reinhardt has done a tremendous job in getting this up and running. Stop by if you get a chance.
- 7) MCI Trailer (Health One and Sirens) – Jim has asked to be able to use our current MCI trailer as a pub ed trailer which I think will be a good use of the vehicle. I am going to be asking some of our local community groups for some financial support in refurbishing the trailer. All of the MCI supplies will still be available.
