Fire Chief's Report

Chief Schick was out of town for the Commissioner's meeting. Asst Chief Yengoyan represented the fire department in his absence.

- Community meetings
 - Buena Vista Homeowners Association on 10/24.
- Community Paramedicine Forum
 - Scheduled for 10/29, 0900-1200 at Stn 1-4. There is a lot of excitement in the community over the potential of this program.
- Regional SCBA grant update
 - We have decided to pull out of the regional grant. Our grant match would be approximately \$35,000 if we go with a regional grant as compared to approximately \$17,500 if we pursue a grant for our department alone. Although a regional grant is purportedly more likely to be funded we felt with our recent success in having grants funded that it was worth it to pull out of the regional grant. Our neighbors will proceed with the regional grant and if both grants are approved I anticipate that our SCBA purchase committee will work with our neighboring counter parts to achieve cost savings through a bulk purchase and to help in minimizing compatibility issues on mutual aid responses.
- CIFR Website update
 - Our website has been updated and we will continue in our efforts keep the content current and relevant for our citizens.
