Fire Chief's Report

Community Events – We presented an Aging in Place (Sept 12 1800 at Camano Center) seminar and Narcan Night (Sept 21 1830 at Camano Center) seminar. Little attendance at the first but the latter was very well attended. Planning is under way for Fire Prevention Week (October 8th – 14th) and our annual Haunted House in October. Take 10 CPR training at the SafeHarbor Free clinic day on Sept 30th.

SAFER Grant hiring and staffing update – Letters to the RIF list have been sent out. Our intent is to have the positions filled on, or around, January 1st.

CAS renewal meeting – Tuesday, Sept 26th. Not sure what the predicted number for healthcare insurance is going to be for 2018. We have had some issues in getting coverage for the stop loss insurance part of our program.

Bay doors at St 2 and 5 – Completed although we have someone reports of doors possibly sticking at St 2.

Marine 1-4 – Welding is completed and it has been float tested. They are currently in the process of putting everything back together.
