Administration

- Fire Chief and MSO Smith are at ESO Conference.
- Mike Rooks will present information on the Union Lawsuit regarding Public Records Requests.
- Working with our new Delegate MPD Dr. Krystal Baciak. Her contract, as well as a contract amendment with Dr. Z, will be presented to the Board for approval at the next meeting.
- New Command rig is in service and new Tender should be arriving soon.
- Chief Helgeland is working on AFG grant for radios to ensure continued interoperability with Sno911.

Personnel

- Congratulations to Helena Wolfe for her selection to attend Paramedic Training. Four firefighters tested and represented the department well in front of a panel of outside assessors.
- Interviewed new volunteer firefighters and will be bringing them to the Board for approval once they complete all the application steps.
- The District will soon have our first round of Cadet Volunteers.

Operations and Training

- Update on daytime staffing at Station 5.
- Continuing to work with ICOM on updating response plans and response zones. We are still unable to get our new plans in place.
- Visit by CPR Survivor was very well received by crews.

Community Outreach

- Public education events held at Elger Bay Elementary. Thanks to Capt. Schweiger and crews that participated.
