

May 26, 2020

Administration

- South End Property Update – Plans on hold.
- COVID-19 Response Update
 - PPE Usage – Still at Level III on all calls. Working with our MPD and Snohomish County on timing to transition to Level II / Level III operations.
 - Property tax collections at 46% through April. On track relative to 2019
 - Individual and Regional AFG-S grant submitted. Thanks to Chief Helgeland
 - April EMS Billing at \$114,000
 - Public Assistance Grant – Will submit for expenses through end of June. Current estimate is \$50,000
 - Island County Testing Results – Thanks to Dean, Linda T., Darla, and Dennis for assisting
 - Attempted Employment Security Fraud found by Linda Layton
 - Holding certain meetings with appropriate social distancing and employee screening
 - Office re-opening potentially in Phase 2. Developing plan for return to work
- AFG Fire Prevention Grant – Capt. Schweiger and Chief Helgeland to submit by Friday deadline
- MPD Update – Interviewed two candidates and EMS Council has forwarded recommendation to DOH
- Paramedic Training Update – Limited availability at Harborview. Waiting for decision on available space

Personnel

- Congratulations to:
 - Linda Layton – 20 years
 - Michael Bellia – 5 years
 - David Winship – 3 years

Operations and Training

- Wildland Fire Training – Preparing for wildfire season. Evaluating appropriate COVID Precautions
- Volunteer Training – New volunteers and Cadets training on Tuesday nights

Community Outreach

- Social Media Post on Property Taxes – A lot of community support
- Thanks to the Mabana Flames for gas detector purchase for Station 5
- Isolation Olympics Update
